Director, SAMETI welcome all the representative of bidder and officer present in the meeting.

The meeting was convened to discuss the clarification sought from different bidders. Director, SAMETI requested the bidders participated in the pre-bid meeting to introduce themselves with a brief background of their organization.

Before initiating the discussion the bidders were informed that the draft bid document uploaded at www.sameti.org has been prepared in consultation with IT Department & National Informatics Center (NIC), Jharkhand State Unit.

Director, SAMETI clarified the following issues in General.

- (a) The bidders have been informed about the current status of website of agricultural organization in the State and its usage.
- (b) The Hosting should be strictly in Government Data Center.
- (c) The website proposed to be developed for Department of Agriculture & Cane Development has to provide a link to the SAMETI, ATMA website and other website mentioned in the bid document.

- (d) The Bidders have been informed about the Department of Agriculture & Cane Development and its wing presently working under the same umbrella.
- (e) The Bidders have been informed about the working of MIS under various centrally Sponsored programme and Departmental MIS to be developed in tune with these MIS and as specified in the bid document under IMIS section.
- (f) The website to be developed as per the govt. of India guidelines (<http://web.guidelines.gov.in>)
- (g) The bidders have been informed that Information through SMS Alerts/ E mail to the farmers of the State should be done through website.

Addressing the queries the following clarification were brought out:

- (h) The date for opening the tender may be changed and if any will be intimated through SAMETI website and/ or local newspaper.
- (i) The Bid document can be downloaded from SAMETI Site and at the time of submission, non refundable fees of Rs. 2000 will be deposited else it can be personally purchased with payment requisite fees.
- (j) First the technical bid will be opened and after the technical specification finalized the financial bid will be considered.
- (k) The website will be developed in 2 languages (Hindi & English) at first and later on as per the feedback and usage at grass root level, Department may take decision for local language viz. Santhali, Mundari etc.

Concluding the meeting, Director, SAMETI thanked all those who were present on that occasion.
